Second Quarter Contracting Report for the Ministries of Health and Education in Zamfara State

In line with the reporting requirements under the HOPE-GOV Program, particularly the Disbursement Linked Indicators (DLIs) which mandate quarterly disclosure of all contracts awarded within the Ministries of Health and Education, we hereby present the status of contract awards for the second quarter of 2025.

Ministry of Health

As confirmed by the Procurement Unit of the State Ministry of Health, no contracts were awarded within the ministry during the second quarter. While certain procurement processes were initiated, they were not finalized or awarded within the specified timeframe. As such, any resulting contracts will now be captured under the third quarter reporting cycle.

Ministry of Education

As confirmed by the State Ministry of Education, one contract was awarded and has been duly captured under the second quarter. While additional procurement processes were initiated during the period, they were not finalized or awarded within the second quarter timeframe. Consequently, any resulting contracts will be recorded under the third quarter.

Details of the Awarded Contract:

Contract Description	Company Awarded	Contract Sum	Date Awarded
Construction of front and side perimeter walls, gate and gate house at Zamfara College of art and Science Gusau	Sanusi Lalan Enterprises Gusau	145,119,968.59	24/05/2025

We appreciate the continued support and collaboration of both ministries in fulfilling the transparency and accountability standards of the HOPE-GOV Program.

sincerely,

Hope-Gov Management
